1. ELECTION OF CHAIRMAN.

Cllr R.A. Sterry was elected as Chairman.

2. CHRISTMAS LIGHTING 2015.

A letter had been received from GCC Street Lighting, (George Surman) regarding the Town Council's possible acquisition of Gloucester City's surplus lights, listing some implications, and suggesting a meeting in order to achieve a solution. It was suggested that the Clerk meet with Mr. Surman, together with Cllr Mark Turner, as Cllr Turner had arranged to meet with representatives from Gloucester City regarding possible light purchase, together with Neil Ricketts who had offered to pay for the lights.

Cllr Mrs Martin then left the meeting at 7 pm.

3. CHRISTMAS PARADE 2015.

The Parade would be taking place on Saturday, 28th November, in the usual format, (Lynda/Anne were currently working on a theme). The Learn Direct team had already been making contact with last years Stall holders to run another Xmas Market, and they had also contacted the local Schools to see if they wished to take part.

Cllr Turner suggested reviving the Xmas Window competition. Members agreed it was a good idea but thought the Traders Association should be consulted to see if they wished to run the competition themselves. Flyers could be designed to circulate to all Traders, to encourage them to take part.

4. DATE OF NEXT MEETING.

To be arranged by the Clerk, as required.

5. CLOSURE.

The meeting ended at 7.10 pm.
