

**CINDERFORD TOWN COUNCIL  
PUBLIC CONSULTATION**

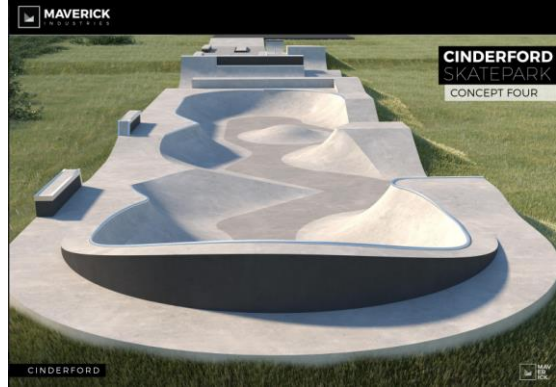

**16<sup>th</sup> August 2023 – 17<sup>th</sup> September 2023**

**Skatepark Associated Works, Miners Welfare Playing Field, Cinderford**

Cinderford Town Council are required to fund some aspects of the new skatepark installation.

The proposed skatepark works to be funded by Cinderford Town Council include:

- car parking
- drainage
- footpath works
- fencing
- lighting
- Litter bins and seating

The Council have previously sent out the specifications and professional contractors have been appointed. Planning conditions have been discharged for works to commence.

Some of the works listed above will be paid for from S106 funding and reserves. For the shortfall the Council intends to apply for a Public Works Loan Board (PWLB) for £125,000 to be repaid over a period not exceeding 6 years. The Council considers the application for the loan, as the most realistic way to fund their contribution to the skatepark works. The Council has forward planned for the loan and have already budgeted for the annual repayments in the 2023/24 budget which equated to a 2.35% budget increase. The existing PWLB for 6 Market Street (formerly HSBC bank) ends in December 2024.

.....  
Please tick one of the boxes below and return to The Town Council Offices, Belle Vue Road, Cinderford, GL14 2AB by 17<sup>th</sup> September 2023 at 5pm.

I support Cinderford Town Council in their application for a loan of £125,000 from the Public Works Loan Board, to fund the skatepark car park, drainage, footpath and lighting works.
